There Is No Need Of reminding you of the depression in trade. You are well aware of that. But in this connection we wish to remind you of this fact, that in times like these CASH is an important factor. Orders placed early by merchants for fall merchandise were almost universally countermanded. This threw enormous stocks on the manufacturers' hands, of which they had to dispose of at a great sacrifice for ready CASH. We had the CASH and bought later, and as a result we own our Fall and Winter stock fully 35 to 40 per cent. cheaper than if we had been forced to purchase on time. No further argument is needed to convince you that, buying cheap, we can also sell you cheap.

Our Fall and Winter Stock is now in, and we cordially invite your inspection of it, and feel certain that we can convince you of the truth of the above. Black, all wool, flat bound, Clay Worsted Suit, in frock, double and single breasted sack, on which we challenge the world, now goes, owing to a heavy cash purchase, at \$15.00 PER SUIT.

LYONHED THE NEGRO.

The Roanoke Mob Rallied and Put Smith to Death.

(SPECIAL TO THE REPUBLICAN.)

CHICAGO, Sept. 21.—The Roanoke, Va., negro, Thomas Smith, who assaulted Mrs. Henry Bishop, and caused the riot last night, was lynched by the mob this morning and found. Afterward Smith's body was carried to the river bank and burned in the presence of one thousand people.

(NOTE—An account of the attack of the mob and the bloody reprisal by the militia at Roanoke last night will be found on the telegraph page. It appears that the killing of seven people and the maiming of eleven only increased the fury of the mob and added to their determination to capture Smith and hang him. It is probable, however, that the militia company had dispersed.)

METHODISTS AT CONFERENCE.

Bishop Fowler in the Chair—Notes Picked Up at the Meeting.

The seventeenth annual session of the Illinois Conference of the Methodist Episcopal church opened in Clinton yesterday morning. A nice rain had cooled the air, the trains of Tuesday and Wednesday had all brought their quotas, and the church was full when at 9 o'clock Conference was called to order.

Bishop C. H. Fowler of Minneapolis, Minn., presided. It is his first episcopal visit to this conference, and he at once impressed everyone as a man of much decision and force of character, one who will be bishop in fact as well as in name.

Conference was opened, as usual, with prayer, scripture reading and the sacrament of the Lord's Supper.

About 200 preachers answered to roll call—many more came in during the day. B. G. Hobbs of Champaign was elected secretary, and O. B. Taylor assistant.

A number of items of business were introduced and disposed of, and those of the presiding officers read their reports. They were A. O. Byerly of Champaign, G. E. Springer of Danville and W. D. Best of Jacksonville. The reports all showed excellent work done during the year and finances in good condition, in spite of the hard times and poor crops.

The report of Mr. Byerly, who has just closed his first year in the presiding eldership, was especially noticeable and was interrupted several times by applause.

Rev. J. T. Orr, of Bloomington, the retiring presiding elder of the Mattoon district, was prevented from reporting by one of his preachers, Rev. W. S. Hooper, of Mattoon, who took the floor and proceeded to tell the elder and the conference what the preachers of the district thought of him. He wound up by presenting him with a solid gold watch and chain, the gift of the preachers of the Mattoon district.

In the afternoon the educational anniversary was held, the address being delivered by Rev. J. B. Wolfe, of Carlinville. Last evening Dr. Kynett, of the Church Extension society, delivered the annual address upon that cause to a crowded house.

The Clinton people are entertaining the conference royally, and everything promises well for one of the pleasantest and most harmonious seasons ever held.

Rev. James Miller, formerly of Decatur, but who was recently transferred to Rock River conference and has been in charge of a church in Chicago, is here, and it is understood will probably be transferred to this conference.

Those presiding elders retire this year, and many are the names mentioned for the vacancies. Revs. J. Shaw and W. A. Smith, of Bloomington; T. A. Parker, of Decatur; Horace Reed, of Danville; A. M. Donnelly, of Jacksonville, and several others are spoken of.

Bishop and presiding elders are very "warm," however, and no one knows anything of any of the appointments as yet.

It is quite certain that Dr. Craft will remain at First church in Bloomington.

THE COLD STORAGE FUND.

How the Money Will be Distributed to the Beneficiaries.

The committee have at last united upon a plan of disposing of the fund (over \$100,000) which was collected in Chicago for the benefit of the families of the firemen who were killed in the cold storage fire at July. It is in effect that a certain sum be paid in cash to the adults; that a portion of the money be set aside for the widows and all the money for the children be placed with one or more leading trust companies to hold in trust, in case of children until they become of age, and in case of widows, with a reversion to the children.

In accordance with this plan Mrs. J. H. Freeman, of Springfield, will receive \$2,000 in cash with interest on an additional \$20,000 probably at 5% per cent. At her death the balance will be a version of \$20,000 to Mr. Freeman's heirs. The trust will probably be put in charge of the Illinois Trust and Savings Co. of Chicago.

Mrs. Freeman was interviewed last evening by a Journal reporter and said she had not yet been notified of the disposition of her share of the money.

The Engineer Held for Murder.
Railroad men all over Central Illinois are manifesting an intense interest in the case of Chas. Kuever, the engineer of the train wrecked south of Streator, who has been held without bail, for murder in the first degree. Judge Blanchard, now at Joliet, has consented to allow him to give bail in the sum of \$3,000, and a bail bond was sent up to Peoria yesterday, but being defective did not suffice.

Slugged and Robbed.
In a dark place on Colfax street, south of the Jackson street school house, between 9 and 10 o'clock last night, Edward Johnson was knocked down and robbed of a watch and \$20 in cash. Johnson was on his way home when he heard a pistol discharged, and then he was slugged. The police have knowledge of the case and are making an effort to discover the highwayman.

Grason-Nolan.
Fireman Tom Grason, of the Chicago division of the Wabash, left to-day for Lovington, where this afternoon at 3 o'clock he will be united in marriage to Miss Annie Nolan. After a wedding at Streator, Mr. and Mrs. Grason will return to Decatur to reside at 914 East Eldorado street. The groom is the son of Capt. William Grason, of Oakley.

Will Close on Time.
The World's Fair will close on the night of October 30, and the next morning will see workmen laying railroad tracks through the different buildings to carry away the exhibits. There will be no extension beyond the time fixed by Congress, so the executive committee decided Wednesday, and ordered the fair closed on the day named.

Fine Peaches.
L. M. Gill, the grocer at 900 North Morgan street, during the unfavorable season, has succeeded in raising a lot of Early Crawford peaches at his home place. They are large, sweet and juicy. Mr. Gill has our thanks for a liberal donation of the delicious fruit.

MARRIED.
By Rev. Father J. Massey, of Manchester, N. H., at 2 o'clock, on Thursday, Sept. 21, at St. Paul's church, were united Mary Delaney, both of Decatur.
